

To whom it may concern,

My name is Chad Moeller, I played professional baseball for 16 years and since retiring I have coached young baseball players either through instruction and on my teams since 2013. I am honored to recommend Adam Goren. I have coached Adam since he was 11 years old. I have watched him develop and continue to mature as a person of high character, work ethic and a very solid all around baseball player. Adam is a personal high character and it shows with his teammates, his preparation and continue drive to improve and get better. I have seen him continue to mature as a person and player and how he deals with difficulty and struggles. Nothing shows me more than how a person deals with adversity. It has been a pleasure coaching Adam and seeing develop and mature him as a player and as a person. I would highly recommend Adam to your institution, he will work hard and strive to be the best he can possibly be.

I am happy to answer any questions you may have regarding Adam a ball player or as a person.

Sincerely,
